

PROGRAMMING

Our Programming Challenge will take place from the 2nd of April to the 10th of May. With the support of a mentor from the studio, you will imagine and program a game based on a chosen theme, using the framework we'll give you.

Apply here for the Programming track.

PRIVACY POLICY

Ubisoft Entertainment (2, rue du Chêne Heleuc - 56910 Carentoir) processes your personal data in accordance with its legitimate interest in order to allow you to participate in the mentoring program around programming and Game Design dedicated to students and young graduates: Womxn.

Your data will be accessible to Ubisoft's recruitment and campus teams.

Your CV will be kept for two years in Ubisoft's candidate pool in order to propose you job offers unless you object by email at the following address: womxndevelop-romania@ubisoft.com. Your other data will be deleted at the end of the program.

Your data may be transferred to countries outside the European Union, either because they ensure an adequate level of protection recognized by the European Commission or because the level of protection is ensured by the signature of standard contractual clauses validated by the European Commission (accessible at the following address: https://ec.europa.eu/info/law/law-topic/data-protection/international-dimension-data-protection/standard-contractual-clauses-scc_en).

You can request a copy of your data, its deletion or rectification, object to the processing of your data, request the restriction of its processing, and/or receive your information in portable form at the following email address: womxndevelop-romania@ubisoft.com After contacting us, if you are not satisfied with the way we have handled your request, you may address a complaint to the regulatory authority of your country.
